ANDOVER, MA – August 27, 2007 – The FootBridge Companies today announced that they were a part of the sixth annual WEEI/NESN Jimmy Fund Radio-Telethon and helped to raise more than \$3.748 million for cancer research and care for adults and children at Boston's Dana-Farber Cancer Institute.

“We have so much support for being a part of this event,” said Phil Pelletier, managing partner at the FootBridge Companies. “Our employees love to participate and many of our clients call in to pledge – it’s a great event and we’re happy to be a part of it every year.”

The company continues to be an innovative leader in the industry by offering clients strong recruiting capabilities, thorough training and screening programs, as well as a comprehensive workforce safety management program.
