

March 2006

FootBridge Staffing Ranks as One of the Area's Fastest-Growing Private Companies - Again

Andover, MA - March 10, 2006 - FootBridge Staffing was once again named to the Boston Business Journal's listing of the Area's 50 Fastest-Growing Private Companies. This recognition was based on the company's strong financial performance from 2003 through 2005.

"It is great to make the list two years in a row," said Richard O'Donnell, FootBridge co-founder and president. "We're happy that our clients turn to us to meet their ever-changing staffing demands. And even more important, our employee team continues to meet or even exceed those needs. Without them, this success wouldn't be possible."

The company continues to be an innovative leader in the industry by offering clients strong recruiting capabilities, thorough training and screening programs, as well as a comprehensive workforce safety management program.

About The Footbridge Companies

The Footbridge Companies provide strategic, cost-effective engineering and information technology staffing solutions to clients in eight industries -- information technology, engineering and construction, energy, finance, government, manufacturing, professional services and telecommunications. With more than 30 years experience in the staffing industry, The FootBridge Companies specialize in contract placement, contract-to-hire, permanent placement, and managed services to clients throughout the United States. The company can be found on the Internet at www.footbridgestaffing.com.
