## **FootBridge Volunteer Day**

Andover, MA - October 1, 2004 - The FootBridge Companies recently took time to support the less fortunate by volunteering at the Greater Boston Food Bank (GBFB). GBFB distributes over 20 million pounds of food annually to hundreds of local hunger relief organizations. The dedicated employees at FootBridge spent over 100 hours separating, inspecting, and packaging food needed by people across New England. "We are so fortunate to have what we have. The New England community is our home and anything we can do to help our neighbors makes us feel great," said Richard O'Donnell, President of FootBridge.
